The Standard Care Records retention period will be applied. All data is held in line with NHSE data retention guidelines	02/08/2023	n/a
Data Retention and Disposal Guidance is provided in the Information (Data) Governance Policy May 2021. Adult health records are retained for 8 years from the point of last consultation or discharge. Electronic records will be made inaccessible at the end of the retention period and paper records will be shredded and destroyed using confidential records destruction at the end of the retention period.	02/08/2023	n/a
The data will be retained for the duration of the programme (approx. 1 year) NHS mail and digital files are deleted.	02/08/2023	n/a
Patient medication records are kept indefinitely in an electronic format in the GP practice. The recommendation is that care homes should keep medicines administration records for at least 8 years after the person's care ended at the service. After 8 years, review the records. If they are no longer needed, destroy them in line with local policies.	02/08/2023	n/a

Data is stored electronically in clinically systems and deleted/destroyed in compliance with the NHS Record Management Code of Practice 2021. As Joint Controllers, providers will store data on their systems and delete/destroy in compliance with the NHS Record Management Code of Practice 2021. Paper records will be destroyed using a crosscut shredder or subcontracted to a confidential waste company that complies with European Standard EN15713. The Dementia Registers are held on GP EMIS systems, which will be updated by the Dementia Coordinators.	02/08/2023	n/a
